## LET IN THE JOY

By Edwin Markham

Our friends, come out of your grief, your sorrow-chill!  
Live in the joy of the Eternal Web  
That swings the great stars in their happy flight.  
Over the vast abysses of the night,  
Cast out the griefs that bind you to the sun.

Let in the joy that is the youth of God,  
The young Eternity. On life's great way  
Kindle a music in the heart of day.

The Naptimes.

## HOLIDAY LUNCHEON GIVEN BY PAN HELLENIC CLUB

One of the most elegant and lovely social events listed for the holiday season was the luncheon given Friday at 1 o'clock at the Amarillo Hotel by the members of the Pan Hellenic Club. The dining room and tables were beautiful with their decorations of shiny flowers, red and green streamers and tinsel, while the attractive centerpiece was formed of a miniature Christmas tree, gaily decorated and banished about with artificial snow.

Mrs. William Burger was charming toastmistress of the occasion, and after extending a cordial welcome to the club members and guests introduced Mrs. Phoebe K. Warner of Claude, who gave a very delightful and interesting talk on the present day college and fraternally woman, in which she expressed the thought that each one leaving college should devote herself to some specific work by which she may use her talents and talents for the benefit of society. The second speaker of the afternoon was Miss Ada Terrell of Canyon, who gave an interesting discussion of the "Opportunity School," stating that at present efforts were being made to establish three of these schools in Texas. Miss Mary Hall gave a very clever talk on "The School Freshman," which was followed by a talk on "The Freshman Class of S. M. U." by Mrs. M. C. Nichols. The program was closed with the singing of the Pan Hellenic Club song.

Covers were laid for the following: Madames M. C. Nichols, William Burger, Phoebe K. Warner of Claude, Hugh Cook of Claude, Wood, Clark Elliott, Mary Hartly, Jack Hartlage of Dallas, H. C. Pipkin, E. H. Roosty, H. E. Samson, Hanes Davis, Nichols, Ada Terrell of Canyon, Norma Cunningham, Mary Masterson, Edwina Allen, Mrs. Underwood, Burkett Wells, Katherine Nash, Willie Kimbrough, Mary Hall, Minnie Madden, Clara Currie Lee and Virginia Wofflin, and Cora and Louise Russell.

## MUSIC MEMORY PROGRAM TO BE GIVEN SOON

The second of the series of musical programs that are being given during the winter months, preparatory to the Music Memory Contest that will be held in Amarillo in the spring, will be presented on Tuesday evening, January 15.

It seems that the entire city is taking interest in the contest work as well as the programs which are being sponsored by the various schools of the city, and even a larger attendance is expected Tuesday, than at the first concert which was given with success some few weeks ago in the auditorium of the First Baptist Church.

A feature of the program will be a vocal number, "Massa Dear," by a trio composed of Mrs. E. B. Cooper and Misses Debbie Patterson and Gertrude Miller, with violin obligato by Mrs. Blucher Tharp.

## DELPHIAN CLUB TO MEET WITH MRS. WOLFLIN

Mrs. Frank Wolfin will receive the members of the Delphian Club, Friday afternoon, Jan. 5 at 2 o'clock at her home, 1310 Polk Street. The program outlined in the year book for that date will be given.

*The New Year*

*The Old Year*

**W**E enter 1923 with supreme confidence. It is a year that demands the best each and every one of us can give. Let us commence with higher faith in God, a greater depth of charity for the weaknesses of others; a nobler conception of our duties as citizens.

We sincerely thank our friends for their past patronage and it is our wish that each and every one enjoy.

A Happy New Year

## CLUBS ASKED TO ELECT OFFICERS IN ODD YEARS

Clubs are in receipt of cards from the office of the President of the Seventh District of Texas Federation of Women's Clubs, requesting that elections be held in January of odd years, that officers be elected for a term of two years, and that the names of the officers elected be reported at once to the secretary. Mrs. Mabel Griffin, Plainview, realizing that this plan may differ from the one customarily observed in the individual clubs, a word of explanation may be in place.

At the volume and importance of federation work increases in the interest of efficiency, greater economy becomes necessary. The greatest need is that of an up-to-date and stable roster. By electing officers in January of odd years to assume duties the following fall or at the beginning of the succeeding club year, and by having these reported immediately upon election, the incoming administration will have a roster to begin work with which will be correct throughout the administration.

This will so greatly facilitate election that we believe it outweights any prejudice from the individual clubs. Many clubs, considering their first purpose to be the development of women, like to have the officers around. They should consider, though, that a woman is only developing into a real executive at the end of her probation.

## Happy New Year

AND A FOND GOODBY TO THE ACHIEVEMENTS OF YESTERYEAR

A store like an individual cannot live upon achievements of the past. They must be forgotten in the hustle and the bustle of accomplishing a better work.

During every minute of every busy day this store strives on the goal of doing greater things, and with the beginning of the new year, it pledges itself to "carry on" always with the aim to further endear itself in the hearts of its patrons.

The Panhandle's Oldest Store—Since 1897

Only a night from old to new!

Only a night and so much wrought!  
The Old Year's heart all weary grew,  
But said, "The New Year rest has brought."  
The Old Year's heart its hopes laid down,  
As in a grave, but, trusting, said  
"The blossom of the New Year's crown  
Bloom from th' ashes of the dead."

—Helen Hunt Jackson.

## Greetings

The hands of the clock will soon tell the old, old story—a New Year has been born—and the first day with all its significance is upon us. For with the relaxation of the day comes retrospection and with retrospection comes a thought of the future.

—White & Kirk salutes the New Year with an optimistic form of faith in the future of Amarillo and the Panhandle. Amarillo prospers, the soil of State and Nation will yield the greatest need of treasure a people has ever known—bounties that soon or late insure greater prosperity for all.

During the year that has ended, all previous records of this establishment have been far surpassed in volume of patronage, in number of patrons and in values that patrons have received. To have attained the premier position throughout the Panhandle as the store of acknowledged leadership in style and excellence is an achievement of which White & Kirk is pardomably proud—an achievement that, too, carries with it the responsibility of perpetuating the high principles of merchandising that have characterized this institution since first its doors were opened.

—This is the smallest nicely of store service to make more pleasurable the delights of shopping no task is too small or great that means a step forward in the path of progress for this store, its city and its patrons.

For the bountiful patronage of its clientele in Amarillo and the Panhandle, for the loyalty of its store personnel, for the good will of all those who have contributed toward the upholding of this wonderful store, White & Kirk makes public acknowledgment of genuine appreciation—at the beginning of this a new year, and a hearty New Year's greeting to all.
